JOHN P. CRONAN, United States District Judge:

On March 10, 2021, Plaintiff filed an amended complaint and added Bell Sound USA, LLC as a Defendant in this action. Dkt. 61. On April 12, 2021, Plaintiff filed an affidavit of service that states Bell Sound was served on March 16, 2021 and its answer was due April 6, 2021. Bell Sound has neither filed an answer nor appeared in this matter.

Within one week of the filing of this Order, the parties shall submit a joint letter updating the Court on the status of this case. The letter should explain whether the parties would like a new referral to Judge Freeman for settlement purposes, whether the parties would like a referral to the Court's Mediation Program, whether Plaintiff plans to move for default judgment against Bell Sound, and whether any party anticipates filing a dispositive motion since discovery in this matter is closed. If no party anticipates filing a post-discovery motion, the Court anticipates it will set a trial-ready date and order the parties to submit all pretrial filings.

SO ORDERED.

Dated: April 16, 2021
